## Sponsorship Opportunities and Benefits

**San Francisco Community Clinic Consortium (SFCCC)** was established in 1982 to strengthen accessible, affordable, and culturally and linguistically competent primary health care services for San Francisco's uninsured and underserved. Of our 110,000 patients, 60% live under the federal poverty level and 88% live under 200% of the federal poverty level. We serve overlooked populations such as low-income, homeless, immigrant, racially/ethnically diverse, LGBTQ, HIV-positive, and senior San Franciscans.

Our **Annual Gala** - SFCCC's biggest annual event, featuring a festive reception and program - brings together 200+ local health care leaders, advocates and community members to raise funds and awareness for SFCCC's vital services. This year we are pleased to honor four of our Community Health Care Heroes - **Speaker Emerita Nancy Pelosi, Brenda Storey, LCSW, Daniel Wlodarczyk, MD, and Mary Mays, NP** - for their dedication to our state, city, and community.

Your support of SFCCC's Annual Gala will fund continued development and expansion of systems of care. Your support is critical to achieving our mission and vision to ensure that people of all income levels have access to health care that is:

- Comprehensive, coordinated, and efficient
- Culturally and linguistically appropriate
- Focused on patient needs

We are thrilled to invite you to participate in this exciting event by **becoming a sponsor**.
